Agenda items

User activity (Michael's report)

- Discussed how the user activity is implemented
- Quick demo of what is currently set up
- We reconsidered the way we check if a user is offline
- We decided to never log out users automatically

Private Channels Frontend

- Checkboxes to create public and private channels
- Private and Public channel lists
- Currently all channels are private since backend hasn't yet been merged with main

Private Channels Backend

- Discussion of Jovan's implementation
- Fetches all channels in the team instead of only channels the user belongs to
- Backend and frontend will have to be well integrated
